AMEND Senate Bill No. 1748*

House Bill No. 1285

by inserting the following as a new, appropriately designated subsection to precede Section 1, subsection (c) and by redesignating subsection (c) accordingly:

(_) Notwithstanding anything in this section or the terms of any written agreement to the contrary, a restriction on an employed health care provider's right to practice his or her profession upon termination or conclusion of the employment relationship shall not be enforced against any health care provider who is employed by an employer providing services primarily for indigent persons or whose practice is composed of a majority of patients who are either uninsured or who are insured by TennCare or medicaid.
